ABSTRACT

This document gives formatting instructions for authors preparing papers for publication in the Recent Science Journals. The authors must follow the instructions given in the document for the papers to be published. You can use this document as both an instruction set and as a template into which you can type your own text.

Keywords-Include at least 5 to 6 keywords or phrases

1. INTRODUCTION

This document is a template. An electronic copy can be downloaded from the IJM jmscr. For questions on paper guidelines, please contact : info@igmpublication.org.

1.1 Page Layout

An easy way to comply with the Recent Science journal paper formatting requirements is to use this document as a template and simply type your text into it.

Your paper must use a page size corresponding to A4 which is 210mm (8.27") wide and 297mm (11.69") long. The page margins can be set as moderate or set as follows:

- Top = (1.0")
- Bottom = (1.0")
- Left = Right = (0.75")

Your paper must be in two column format with a size of column of 3.38 mm (3.38") column size with 0.25mm (0.25") between columns. Spacing between lines in a paragraph is 1.05". After each section one line space has to be left. Between the paragraphs 6 points space has to be left before and after the paragraph.

1.2 Page Style

All paragraphs must be indented. All paragraphs must be justified, i.e. both left-justified and right-justified.

a. Text Font of Entire Document

The entire document should be in Times New Roman of font size 10. Other font types may be used if needed for special purposes. Recommended font sizes are shown in Table 1.

b. Title and Author Details

Title must be in 22 pt Times new roman font Sentence case. Author name must be in 12 pt regular Times new roman font. Author affiliation must be in 10 pt regular. Email address must be in 10 pt Times new roman Regular font.

Table. no
Font Sizes for Papers

Font Size	Appearance (in Time New Roman)		
	Regular	Bold	Italic
10	table caption in normal font		
10	author email address (in Times new roman),	Abstract in normal letters 10	abstract heading bold 12 point times new roman

	cell in a table	font times new roman	
12	level-1 heading 12 point bold times new roman regular font for paragraph		
12	author name 12 point times new roman regular font		
22	Paper Title 22 point sentence case format regular font, centered		

All titles and author’s details must be in single-column format placed in cells of table with borders set to no line and centered.

Every word in a title must be capitalized except for short minor words such as “a”, “an”, “and”, “as”, “at”, “by”, “for”, “from”, “if”, “in”, “into”, “on”, “or”, “of”, “the”, “to”, “with”.

Author details must not show any professional title (e.g. Professor), any academic title (e.g. Dr.) or any membership of any professional organization.

To avoid confusion, the family name must be written as the last part of each author name (e.g. Antony S Llyod).

Each affiliation must include, at the very least, the name of the company and the name of the country where the author is based (e.g. XXX Private Ltd, Netherlands).

Email address is compulsory for the corresponding author.

1.3 Section Headings

No more than 3 levels of headings should be used. All headings must be in 12pt bold Times new roman font. Every word in a heading must be capitalized except for short minor words. Sub sections can be put in sentence case with font size 12 bold.

1.3.1 Figures and Tables

Figures and tables must be centered in the columns. Large figures and tables may span across both columns. Any table or figure that takes up more than 1 column width must be positioned either at the top or at the bottom of the page.

Graphics may be full color. Graphics must be drawn using solid colors which contrast well both on screen and on a black-and-white hardcopy. The caption of the graph must be in 10 pt Times new roman regular font. Captions must be of a single line must be centered whereas multi-line captions must be justified. Captions with figure numbers must be placed after their associated figures.

Please check all figures in your paper both on screen and on a black-and-white hardcopy. When you check your paper on a black-and-white hardcopy, please ensure that:

- c. the colors used in each figure contrast well,
- d. the image used in each figure is clear,
- e. all text labels in each figure are legible.

a. Figure Captions

Figures must be numbered using numerals. Figure captions must be in 10 pt Times new roman regular font. Captions must of a single line must be centered whereas multi-line captions must be justified. Captions with figure numbers must be placed after their associated figures, as shown in Fig. 1. Authors are advised not to include low resolution and poor quality images, since it reduces the credibility of the journal.

b. Table Captions

Tables must be numbered using numbers. Table captions must be centred and in 10 pt Time new roman Regular font. Every word in a table caption must be in regular font. Captions with table numbers must be placed before their associated tables. Tables should not be images. The contents of the table must be in 10 point times new roman regular font.

c. Page Numbers, Headers and Footers

Page numbers, headers and footers must not be used.

d. Links and Bookmarks

All hypertext links and section bookmarks will be removed from papers during the processing of papers for publication. If you need to refer to an Internet email address or URL in your paper, you must type out the address or URL fully in Regular font.

e. References

The heading of the References section must not be numbered. All reference items must be in 10 pt font. Please use Regular and Italic styles to distinguish different fields as shown in the References section. Number the reference items consecutively in square brackets (e.g. [1]).

When referring to a reference item, please simply use the reference number, as in [2]. Do not use “Ref. [3]” or “Reference [3]” except at the beginning of a sentence, e.g. “Reference [3] shows ...”. Multiple references are each numbered with separate brackets (e.g. [2], [3], [4]–[6]).

Examples of reference items of different categories shown in the References section include:

- e. example of a book in [1]
- f. example of a book in a series in [2]
- g. example of a journal article in [3]
- h. example of a conference paper in [4]
